Is It True?

A certain element in Charleston is in all its glory-horse racing, gambling, prize fights, blind County. (both summer and winter retigers, et id omne. This element sorts), or ly 78 miles from Atlanta on is a large majority and is absolutely indifferent to the laws of the State, Jury trials there are produced \$500 bushels of apples netting a farce. And the money and \$3900.60. Equally as good for peaches influence of this element is sufficient to control our present legis-

The above is from last week's Southern Christian Advocate, and is a terrible arraignment of Charleston, her city officials, the State and county officials and per acre. Send for descriptive Pamphthe laws of the State. It is brief, let and price list. only a few words, and if these things are true, it is enough to make all south Carolina blush here made: A certain element On, How I Itched here made: A certain element is in full swing. They race horses, gamble, prize fight, blind tiger, and many and various other things.

State." Does 'indifference' rightly describe the conduct of this "element in Charleston?" If they do these things, are they not the worse element the State and city has, or to be found anywhere? Are they not corruptionists; flagrant and fierce law- at the close of business Feb. 20, 1912. breakers and society destroyers?

And to think they are in a large majority and have money Bonds and stocks owned by and influence sufficient to controi the legislature of this State | Banking House ... is horrifying and humil ating in Currency..... the extreme! All this is going Silver and other Coin on and being enacted in the city of Charleston, in the proud State of South Carolina. Where is Mayor-Grace, with his many Undivided Profits, less policeman, the sheriff and his deputies, the State constables Due to Banks and Bankers and all the officers of the law? Individual Deposits subject Are they in sympathy with such Time Certificates of Deposit 3,195.55 openhanded and outrageous vio- Bills payable, including Cerlations as these, or do they fear | tificates for money borrowed 15,000 00 this element? Where is Govern- Total..... or Blease, that he doesn't take a hand and break it up for know the reason why? If these things be true, it is a stench in the noschild, and a crying shame that it be tolerated.

The legislature of this State owes itself the duty of purging Banking House, other Real Estate owned. . itself of these charges, and can do so by so amending the laws that the solicitor and prosecuting officers shall have the right ment of criminals to another county where jury trials are not correct-Antest:
T. P. PATTERSON R. G. GAINES DIRECTORS

If the officers of Charleston and of the State whose duties it is to enforce the laws have not the bachbon to deal with Located at Pickens, S. C., at the close of business Feb. 20th 1912. this element, they should immediately resign and no longer corrupt themselves and violate their Loans and Discounts ... oaths of office.

A Temperance Lecture

Mrs. Florence E. Atkins, of Nashville, Tenn., spent two days in Pickens last week, and delivered addresses at the Pickens Mill church and the Methodist church in the interest of temperance, She is working R. E. under the auspices of the Na-Blonal W. C. T. U., and has several engagements in this State. Her address at the Methodist dience made up of the representative people of the three denominations. For more than one hour she held their bus furniture and Fixtures.... closest attention and in a pathetic, yet elequent, manner uttered Silver and other Coin ... Checks and Cash Items. some burning truths about the monster demon drink. At the close of her address she took a STATE OF SOUTH CAROLINA, SS. close of her address she took a COUNTY OF FIGURESS.
